

Ahuja Business Services: Offering Special Membership, Business Auxiliary Services & More!

The global travel & tourism bazaar exhibits sparkling form as it is anticipated to hit the spending milestone of \$480 billion by 2020. Organizations that possess cross-country market insights based on research catering across continents are the next level of this niche market. Ahuja Business Services is one among such rare-breed that offers Global Holiday membership offers with benefits across 100 countries.

In an era where you have to surf for the best trip providers for each country, the capability to cater with a complete holiday package across six continents via a range of B2B tieups and business associates worldwide along with exclusive GlobalTravelzCard membership offerings saves Ahuja Business Services from probable market combats. "Our Global partnerships are our strength. We provide members access to best offers on Holidays, Hotels and Entertainment across the Globe," proclaims Harsh Ahuja, Founder, Ahuja Business Services. The delivering model of the firm is that it relinquishes mediators, thus saving money for explorers, globetrotters and families in big time. Ahuja Business Services represents some of the best names in the Industry. Always on the lookout for developing its Business Network, Ahuja is now seeking tieups with mobile based NFC/GPS discount companies for long term growth in India & abroad.

The Offer Index

The company offers Card Member-

ships including Holiday packages, Entertainment offers, Event Tickets & Business Auxiliary services. The crème dela crème of the service offerings is the GlobalTravelzCard membership in association with The Top Travel Club - Canada that empowers the members with great offers on Holidays across 100 Countries. The membership subscriptions are yearly based, while the Business Auxiliary Services from Ahuja Business Services are delivered on a project based percentage basis. "A person with our GlobalTravelzCard membership card can book a package at a discounted rate across 100 Countries directly via their members login apart from accessing a wealth of information under a single platform," says Harsh. Their website also features a business directory wherein Travel & Tour operators, boutiques & more can offer their products and services while availing SEO optimised listings for free. This along with personalised business auxiliary services has helped it to achieve notable recognition with national & international clients apart from a mention in The CII Tourism Fest, Social Media & Web Promotions.

The Ahuja Story

Harsh carved a rock-solid plinth for his new

The delivering model of Ahuja is that it relinquishes mediators and saves money for explorers, globetrotters and families in big time

business via tieups leveraging his 20 years of industry experience. He incepted Ahuja Business Services in 2013 post an year of research finally selecting Tourism & Hospitality for its Business potential. "Tourism and Hospitality is by far the largest

Industry in the World. India has immense Tourism potential and the Government needs to further develop Infrastructural facilities and offer incentives to capitalise on the same" adjoins Harsh. With a range of strategic tieups at an international level, this lean organization today stands straight and head-up with a 28 percent YOY growth (projected)

Ahuja plans to further leverage the mobile arena by raising funds in the near future. "Mobile is the future. I have already initiated the influx for mobile and once the same is ready, then the next stage is retail development,"

Harsh Ahuja,
Founder
